

Special Interest Group (SIG) /Research Division (RD) IAJGS 2021 Virtual Conference

NAME of GROUP

Part I: VIRTUAL MEETING

Each meeting will be a maximum of 60 minutes.

Each meeting will require at least 2 Session Managers. This is in addition to any speakers, and they *may not* be the same person. Experience during the 2020 Conference showed us that it is extremely difficult for the Speaker to also serve as a Session Manager. If your group expects a large crowd (over 100), please consider adding a third Session Manager. Moderators will be provided by the Conference to assist the Managers. Session Managers AND Speakers will be contacted in June for instructions and mandatory training.

Meetings will be scheduled during the Conference from Sunday, August 1 to Thursday, August 5, 2021. Please indicate your preference for morning (AM) or afternoon (PM), based on EDT (US Eastern Daylight Savings Time). The Program Committee will do its best to accommodate your requests.
