# Live Stream Sessions can be evaluated from the Auditorium

## The Session Evaluation box will appear after the end of the session

The screenshot displays a live stream interface with a blue header labeled "LIVE". On the left, there is a search engine with a text input field, "Search", and "Reset" buttons. Below the search is a list of sessions for "August 21, 2022". The first session is "Marking Time: Genealogy and History as a Religious Experience" from 12:30 PM to 01:30 PM EDT. The second session is "BOF - Professional Genealogists (ProfBOF)" from 01:45 PM to 02:45 PM EDT. The third session is "Managing DNA Testing Expectations - What DNA testing Can and Can't Do for your Research". Each session entry includes a calendar icon, a "G" icon, and a note: "Session will open 15 minutes prior to start of session." Below each session is an "Add to My Agenda" button with a right-pointing arrow.

On the right side, a scrollable panel shows details for the selected session: "Venue: IAJGS 42nd International Conference on Jewish Genealogy 2022" and "Dates: August 21, 2022 12:30 PM - 1:30 PM EDT". Below this is a paragraph of text: "Scholars now look beyond the synagogue to understand the contours of American Judaism. Jews make meaning of their cultural and religious lives in any number of ways. This is certainly the case when it comes to genealogical and historical research. Practitioners within the professional and avocational ranks use these opportunities to draw deeper connections to their families and community. This, too, might be considered a 'religious' experience." At the bottom of this panel are two buttons: "Session Chat" and "Session Evaluation". A red arrow points to the "Session Evaluation" button. Below the buttons is a "Geographical Focus" section with a blue header and "USA" listed below it.

# Live Stream and On-Demand Sessions can be evaluated from the Attendee Lounge
