Book Talks
Time: 30 minutes
Equipment: Laptop with PowerPoint and Internet access projected onto a screen.
Librarians share a variety of books chosen specifically for your students. Hear about new titles or customize to fit a subject or theme. Multiple presentations work best when set up in one location with students rotating.

Jump Into Research
Time: 45 minutes
Equipment: Laptop with PowerPoint and Internet access projected onto a screen.
Discover the many free online resources available with a Pierce County Library card. Presentations may be tailored for a specific assignment or subject area, such as history, biography or science.

Internet Safety
Time: 30 minutes
Equipment: Laptop with PowerPoint and Internet access projected onto a screen.
Get the basics of being safe online—how to spot and avoid risks—and still have fun.

Life Beyond High School - How Can the Library Help? (High School Only)
Time: 45-60 minutes
Equipment: Laptop with PowerPoint and Internet access projected onto a screen.
How do young people learn to function as successful adults? It's not all by trial and error. The library has many free resources that support young adults in finding a job, getting healthy, learning to cook, buying or fixing a car, managing money and more.

Online Homework Help
Time: 25 minutes
Equipment: Laptop with PowerPoint and Internet access projected onto a screen.
Learn about the free online tutoring service offered to all Pierce County Library card holders.

Services

Custom Book Lists or Webliography
Work with your Pierce County Librarian to create a list of books or online resources to support your lesson plan: biographies, nonfiction or fiction topics for projects, award-winners or the subject of your choice.

How to Arrange for a Presentation or Service

- Schedule standard presentations at least two weeks in advance. Please allow four weeks for custom presentations or services.
- Schedule visits at one site for one day or multiple days.
- Multiple presentations are possible in one day. Please allow for a 30-minute lunch break.
- PowerPoint versions of presentations are available for you to share with other teachers or use as refreshers for your class.
- Any presentation or service may be adapted for a parent audience, staff training or home-school cooperative.
